

## Instructions for Uploading Enhanced Clips on CMT Site for 4<sup>th</sup> DNS Challenge

- Challenge participants need to register on CMT or use their existing account for submitting enhanced clips to 4th DNS Challenge at IEEE ICASSP 2022.
- Go to Submission site: <https://cmt3.research.microsoft.com/DNSChallenge2022>
- Click on **Create new submission** and choose your track

The screenshot shows the 'Author Console' header with navigation links: Submissions, Help Center, Select Your Role: Author, DNSChallenge2022, and Harishchandra Dubey. Below the header, a message says 'Please click [here](#) to view Welcome Message & Instructions.' A '+ Create new submission...' button is on the left. In the center, it shows '0 - 0 of 0' with navigation arrows and a 'Show:' dropdown set to '25'. On the right are buttons for '50', '100', 'All', and 'Clear All Filters'. A dropdown menu is open, showing 'Track 1: Real-Time non-personalized DNS for fullband speech' and 'Track 2: Real-Time Personalized DNS for fullband speech'. Below this is a search bar with 'e.g. <3' and a 'filter...' button. To the right is a 'click here...' button. The bottom section has columns for 'Track', 'Files', and 'Actions'.

- Choose Track 1 or Track 2 for submission. You need to make separate submission for each track. **For each track**, zip all enhanced clips into a single zip file.
- On submission page (shown below) enter **Title** such as "Team [organization name] track1 enhanced clips", add names and emails of all team members and may leave **Abstract** and **FILES** section blank, click **Submit**. On this page, you do not need to submit anything.

The screenshot shows the 'Create New Submission' page. At the top, it says 'Welcome to 4th DNS Challenge at IEEE ICASSP 2022! Please register with full details about your submission including paper title, enhanced clips, name and emails of all authors, and abstract for your paper.' Below this, it says 'Track: Track 1: Real-Time non-personalized DNS for fullband speech'. The 'TITLE AND ABSTRACT' section has a 'Title' field with the placeholder 'Title' and an 'Abstract' text area with a '9000 characters left' indicator. The 'AUTHORS' section has a table with columns: Primary Contact, Email, First Name, Last Name, Organization, and Country/Region. The table contains one row for Harishchandra Dubey at Microsoft Corporation, United States. Below the table is an 'Email' field with a '+ Add' button. The 'FILES' section has a message: 'You can upload from 0 to 10 files. Maximum file size is 100 MB. We accept doc, docx, pdf, zip formats.' Below this is a 'Drop files here' area with an 'Upload from Computer' button. At the bottom are 'Submit' and 'Cancel' buttons.

- In next screen, click on **Done**

- Here, you can upload as many zip files as needed for Track-1 and Track-2 enhanced clips. Name these zip files like [TEAM\_NAME]\_track1\_enhanced.zip and [TEAM\_NAME]\_track2\_enhanced.zip as supplementary files. Each .zip file has a limit of 350MB and you can upload up to 10 files. Note, you need to delete the adaptation clips

from track\_2 blind testset as it is not needed for P.835 subjective evaluation. If you choose to split the enhanced clips into more than one folder, name them systematically e.g. [TEAM\_NAME]\_track1\_enhanced\_Part1.zip;  
[TEAM\_NAME]\_track1\_enhanced\_Part2.zip;  
[TEAM\_NAME]\_track1\_enhanced\_Part3.zip etc.
